Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Using the methodologies and insights of queer theory, narrative theory and analytic philosophy, Sexual Deceit helps us to understand the issues of passing and to evaluate it from a moral point of view. Noting the importance of time and place in discussing this issue, Kelby Harrison combines the insights, key concepts, and important arguments in both traditional philosophy and queer theory in developing an ethical theory called "Gayness as Practical Identity."
