Record Nr. UNINA9910826885903321 Autore Hartig John H. Titolo Bringing conservation to cities: lessons from building the Detroit River International Wildlife Refuge / / by John H. Hartig Pubbl/distr/stampa Burlington, Ontario:,: Aquatic Ecosystem Health, & Management Society, , 2014 ©2014 **ISBN** 0-9939184-0-9 Descrizione fisica 1 online resource (283 pages) **Ecovision World Monograph Series** Collana 333.72 Disciplina Conservation projects (Natural resources) Soggetti Wildlife refuges Detroit River International Wildlife Refuge (Mich.) Lingua di pubblicazione Inglese **Formato** Materiale a stampa Livello bibliografico Monografia Nota di bibliografia Includes bibliographical references. Nota di contenuto From resource abuse to recovery of Detroit River's charismatic megafauna -- From conservation vision to establishment of an international wildlife refuge -- Roots of the refuge : standing on the shoulders of Michigan United Conservation Clubs, Pointe Mouillee Waterfowl Festival, and the United Auto Workers -- Public-private partnerships for conservation -- Creating a new waterfront porch for people and wildlife -- Transformation of an industrial brownfield into a gateway to the International Wildlife Refuge -- If you build it they will come -- Citizen science and stewardship -- Reconnecting people back to the land and water through outdoor recreation -- Lessons learned. There is growing interest in re-connecting urban residents with nature. Sommario/riassunto but most conservationists want to work in pristine areas, and most urban areas are considered too degraded to rank high on conservation priority lists. Bringing Conservation to Cities is a timely and informative expose of what it takes to foster a conservation ethic in a major urban area--complete with critical lessons learned--and to simultaneously inspire and develop the next generation of urban conservationists. The

book explores the new urban conservation frontier, with its numerous challenges and opportunities, and fosters more urban conservation

initiatives throughout the world.
