Sommario/riassunto

Bringing together leading scholars from Belgium, Canada, France, and the United States, *French Thinking about Animals* makes available for the first time to an Anglophone readership a rich variety of interdisciplinary approaches to the animal question in France. While the work of French thinkers such as Jacques Derrida, Gilles Deleuze, and Felix Guattari has been available in English for many years, *French Thinking about Animals* opens up a much broader cross-cultural dialogue within animal studies. These original essays, many of which have been translated especially for this volume, draw on
