

1. Record Nr.	UNINA9910826914303321
Autore	Alhabeeb M. J. <1954->
Titolo	Managerial economics : a mathematical approach // M. J. Alhabeeb, L. Joe Moffitt
Pubbl/distr/stampa	Hoboken, New Jersey : , : Wiley, , 2013 ©2013
ISBN	1-118-46885-6 1-118-45859-1
Edizione	[1st ed.]
Descrizione fisica	1 online resource (1052 p.)
Disciplina	338.5024/658
Soggetti	Managerial economics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	<p>Uncertainty is present in every managerial decision, and Managerial Economics: A Mathematical Approach effectively demonstrates the application of higher-level statistical tools to inform and clarify the logic of problem solving in a managerial environment. While illuminating managerial decision-making from all possible angles, this book equips readers with the tools and skills needed to recognize and address uncertainty. The book also explores individual, firm, and market-level decisions; discusses all possible risks and uncertainties encountered in the decision-making process; and prepares readers to deal with both epistemic and aleatory uncertainty in managerial decisions. Managerial Economics features: An emphasis on practical application through real-life examples and problems An accessible writing style that presents technical theories in a user-friendly way A mathematical and statistical point of view that reveals the presence of uncertainty inherent in managerial decisions Thoroughly class-tested material including problems at the end of each chapter, case study questions, review exercises, and objectives that summarize the main discussions Managerial Economics is an excellent book for upper-undergraduate and graduate-level courses in business and economics departments. The book is also an ideal reference and resource for</p>

managers, decision makers, market analysts, and researchers who require information about the theoretical and quantitative aspects of the topic.
