Sommario/riassunto	Maximize the beauty, privacy, and property value while reducing the maintenance, labor, and costs of your outdoor living space with BarCharts'new Landscape Design Techniques QuickStudy® guide. As companion title to the QuickStudy® Gardening guide, this guide takes a total-property, long-term approach to establishing goals and strategies to help you develop your vision for your property's landscape based on its existing natural character, as well as your life experiences and values.
