Methods That Affect Our Lives; Chapter 21 Resistant Strengths;
Afterword: Returning Home, Remembering Meanings of Freedom;
Notes; Bibliography; Index; Resources; About the Authors

Sommario/riassunto

Privatization has been on the right-wing agenda for years, but now it has the power of the Bush administration behind it. Health care, schools, Social Security, public lands, the military, prisons--all are considered fair game. But does privatization really serve the public good? Or is it a payoff to powerful corporations intent on replacing the government with a private profit culture, one in which there is no meaningful public accountability and the bottom line rules all? In this powerful book, legendary activist Si Kahn and public philosopher Elizabeth Minnich argue that privatization is a...
