Sommario/riassunto	The regions of Asia and Oceania, with their many diverse peoples, massive size, and vast cultural history, have birthed some of the most critical conflicts of the modern era. From border disputes to current nuclear threats to regions still shattered by the effects of past wars, this volatile region is a key player on the world stage of global conflict. This exciting volume provides up-to-the minute coverage of the most critical situations and explosive events in the region, including internal

strife in Indonesia, insurgency in southern Thailand, nuclear issues in
India and Pakistan, the Tibe
