Representation, and the Problem of Women Warriors 9 Not Just (Any)body Can Be a Patriot: "Homeland" Security as Empire Building Afterword: Newly Seeing; Contributors; Index
Sommario/riassunto	A collection of multiple perspectives on the "war on terror" and the new imperialism. Looking at the imperialism and the "war on terror" through a lens focused on gender and race, the contributors expose the limitations of the current popular discourse and help to uncover possibilities not yet apparent in that same discourse.
