Sommario/riassunto	Spelltrack is a practical approach to spelling, developed to help children who have specific difficulties with phoneme awareness, segmenting, blending and phoneme-letter correspondences. It helps to maintain a systematic progression through the process of learning to read and spell. This book presents activities using tracking techniques to help those learners who have particular difficulty in memorizing high frequency words. By circling (tracking) each letter in one continuous movement, at the same time as saying the letter name, the learner is using visual and kinesthetic se
