Sommario/riassunto

A Companion to Theodore Roosevelt is the first comprehensive anthology to encompass Roosevelt as whole, highlighting both his personality and his skilled diplomacy. * Revitalizes and internationalizes scholarship on this most popular and highly-rated American president * Covers many aspects of Roosevelt's personality and his policies, domestic and foreign, to create a complete picture of the man * Provides scholarship from both sides of the Atlantic, from established Roosevelt specialists, respected scholars, and a new generation of historians * A new and fresh historiographical exploration of Roosevelt's life and ideas, political career and achievements, and his legacies
