The response of higher education -- Strategies and tactics for tackling disruptive change -- Recruitment and financial aid policies -- Retention initiatives -- Program reforms -- Reorganization, rightsizing, and other names for retrenchment -- Growth plans -- Collaborative action -- Something between Chicken Little and Pollyanna.
Sommario/riassunto	"This book examines how institutions of higher education in the United States are responding to the challenges that demographic change presents. Grawe draws on interviews with leaders in higher education and case studies at a variety of institutions to provide prescient guidance for leaders in higher education who want to take proactive measures in advance of a predicted decrease in demand for higher education"--
