Sommario/riassunto	Things aren't going well for the Conway sisters. Dad's just married the Geography teacher, oldest sister Bec's been evicted and Evie's suffering serious issues with her new besties. Michaela has twenty-four hours to solve her sisters' problems before she sits the most important exams of her life. What else could go wrong? A hilarious new offering from Australia's master of teen theatre, House on Fire is to put a smile on your lips and light a small flame in your heart.
