Sommario/riassunto	Victim awareness and the needs of victims of crime are a major societal concern. What Have I Done? is a photocopiable resource and DVD to encourage empathy in young people who commit crimes or hurt others through their actions. It is designed to be used directly with young people who have committed a specific crime or caused harm and distress to others through their actions, and challenges the young person to face the harm they have caused and consider what they can do to help put things right. The course is flexible and interactive, and can be used on an individual basis or with small groups,
