| Lingua di pubblicazione | Inglese |
| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
| Note generali | Originally published: 2009. |
| Nota di bibliografia | Includes bibliographical references. |
| Sommario/riassunto | Hurley sets out a radical challenge to consequentialism, the theory which might seem to be the default option in contemporary moral philosophy. There is an unresolved tension within the theory: if consequentialists are right about the content of morality, then morality cannot have the rational authority that even they take it to have. |
