Sommario/riassunto

This 1876 version of Josiah Henson's autobiography, the first of many editions issued by British editor John Lobb, followed the original 1849 edition and a much-expanded 1858 version. The autobiography traces Henson's life from his birth into slavery in Maryland in 1789; his escape to Canada in 1830; his participation in the founding of the Dawn Settlement for fugitive slaves in Ontario; and his several trips to England to raise funds for the settlement.
