Sommario/riassunto	As individuals, we can be creative and ambitious in our personal lives and in our professional lives. But individual efforts can't always match the energy and productivity of a group. Cultures, societies, clubs, schools, and militaries arose out of our need to band together for mutual support. Organizations were created to deal more effectively with the environment-both the natural world and the world of work. But there is a trade-off when we move from individual contributions to group efforts: the relationships necessary for working together can

spawn conflict. In organizations, tensions b
