Sommario/riassunto	Corpus linguistic methods provide new avenues for (im)politeness scholarship to reflexively evaluate its understanding of communication and language use on the theoretical contributions of corpus linguistics to the linguistic sciences. In this sense, this volume is a unique contribution to (im)politeness scholarship. It showcases studies in the field which employ specialized and general corpora, with methodologies that range from the speech act to the discourse-analytic and conversation-analytic traditions. The book brings into closer contact scholarship that has hitherto remained in relative
