Sommario/riassunto	Assessment and Accreditation of Prior Learning systems are now widely used in colleges to open up access for potential students by harnessing their prior learning, knowledge and skills. But one major issue, language and literacy, has not yet been adequately addressed, and our education system still presents many barriers for non-native speakers of English. This book focuses on practical and pro-active ways of approaching these problems using case studies and examples throughout. The various chapters cover: * Ways of resourcing and implementing APL systems * The implications this h
