Sommario/riassunto

"This anthology is breathtaking in its geographic and temporal sweep."- Canadian Journal of History. The American media has recently "discovered" children's experiences in present-day wars. A week-long series on the plight of child soldiers in Africa and Latin America was published in Newsday and newspapers have decried the U. S. government's reluctance to sign a United Nations treaty outlawing the use of under-age soldiers. These and numerous other stories and programs have shown that the number of children impacted by war as victims, casualties, and participants has mounted drastically du
