Sommario/riassunto	Gianni Vattimo, who has long been a prominent postmodern European philosopher, has recently taken a more significant interest in religion. His claim is that postmodern philosophy, with its incisive critique of rationalist, objectifying ways of thinking, can help religion once again find a voice in a largely disinterested Europe and an often fundamentalist America. . To accomplish this, Vattimo contends, religion must attend to certain contemporary philosophical themes that, he argues, are ultimately consistent with biblical intentions. To this end, Vattimo employs his theoretical insights on
