Sommario/riassunto	The National Curriculum is due for review. This is a central area of educational debate in England and Wales. Increasingly politicians and their entourages are looking for quick fixes from abroad to solve what they see to be problems in the educational system of the UK. Drawing on insights from other European curricular systems, this provocative

book will contribute, in a timely way, to the debate on reformations of the National Curriculum. The style is concise, with points for discussion and lists of further reading. debate in England and Wales. Increasingly politicians are looking for quick
