Livello bibliografico	Monografia
Nota di contenuto	Translator's introduction -- Paths -- Valleys -- Birds -- Rain -- The cedar in the park -- Cows -- Grass -- Fingers -- The moon -- Mountains -- The false spring -- Meadows -- Winds -- Wonders -- Buds -- Fog -- Natural:Mind.
Sommario/riassunto	Natural:Mind, published for the first time in Sao Paulo, Brazil, in 1979, investigates the paradoxical connection between the concepts of nature and culture through a lively para-phenomenological analysis of natural and cultural phenomena. Always applying his fluid and imagistic Husserlian style of phenomenology, Vilem Flusser explores different perspectives and relations of items from everyday life.
