Sommario/riassunto	This interdisciplinary book examines the nature of spirituality and the role it plays in the search for meaning. Spirituality is a loving tendency towards the sacred. In a secular environment, the sacred is taken to be a power greater than self. In a religious environment, the Sacred refers to God, or Higher Power. The book examines the developments of the s/Sacred in great works of art and literature, as well as in medicine, theology, psychology, philosophy, and religion. Spirituality also functions as an unloving tendency towards disunity, or a force for evil. The first part of the book exami
