Nota di contenuto	Introduction to the Way we do -- Juba danced -- The ancestors and the lullaby -- Put your hands on your hips : rites of passage in performance -- Rosy, Possum, Morning Star : work songs and the blues.
Sommario/riassunto	"Gale P. Jackson describes and reimagines the ways women of the African diaspora have drawn on ancient traditions to record memory, history, and experience with dance and explores the narratives, articulations of agency, and constructions of identity embedded in women's cultural performance. In engaging these vibrant traditions, "Put Your Hands on Your Hips and Act Like a Woman" provides a window into multiple discourses and new paradigms for locating the history, philosophy, and theory embedded in Black traditions"--
