Titolo	Sustainable membrane technology for energy, water, and environment / / edited by Ahmad Fauzi Ismail, Takeshi Matsuura
Pubbl/distr/stampa	Hoboken, N.J., : Wiley, 2012
ISBN	9786613446183 9781283446181 1283446189 9781118190142 1118190149 9781118190180 1118190181 9781118190173 1118190173
Edizione	[1st ed.]
Descrizione fisica	1 online resource (351 p.)
Altri autori (Persone)	IsmailAhmad Fauzi MatsuuraTakeshi <1936->
Disciplina	660/.283
Soggetti	Membranes (Technology)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Papers presented at the 7th International Conference on Membrane Science and Technology held in Kuala Lumpur, Malaysia on May 13-15, 2009.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Membrane material and membrane development -- pt. 2. Applications in gas and vapor treatment -- pt. 3. Applications in water treatment -- pt. 4. Applications in environment -- pt. 5. Applications in energy -- pt. 6. Other industrial applications.
Sommario/riassunto	A detailed look at the most recent developments in sustainable membrane technology for use in energy, water, and the environment A collection of twenty-seven groundbreaking papers on important ideas about the development of membrane science and technology, Sustainable Membrane Technology for Energy, Water, and Environment brings together contributions from leading international experts in one comprehensive volume. Covering the latest developments and most

innovative ideas in the field, this book is a unique resource for understanding the growing interest in using membranes across seve

Titolo	100 Questions and Answers to Help You Land Your Dream iOS Job : Or to Hire the Right Candidate! // by Enrique López Mañas
Pubbl/distr/stampa	Berkeley, CA : , : Apress : , : Imprint : Apress, , 2019
ISBN	9781484242735 1484242734
Edizione	[1st ed. 2019.]
Descrizione fisica	1 online resource (XV, 62 p. 3 illus.)
Disciplina	004.165
Soggetti	Apple computers Apple and iOS
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Chapter 1. Get a Junior Developer -- Chapter 2. That guy who has already been working with iOS for some time -- Chapter 3. We need that guy on board, we want to do great things!.
Sommario/riassunto	Are you an iOS developer, looking forward to your next career move? Or are you interviewing for positions at your company or start-up? Either way, this book provides the right questions and answers to help you in the review process. If you are an interviewer, this book can guide you on which questions are the most useful to ask to find the perfect candidate. Generic interview questions found online are repetitive and often unrelated to the day-to-day tasks of an iOS developer. If you are aiming at hiring a professional programmer you should consider more advanced questions about architecture, patterns, or frameworks such as those included in this book. All questions are answered clearly and comprehensively and each one is categorized and reviewed from some of the top iOS engineers worldwide. Some of the questions provide quick follow-ups, which might make the difference between a good enough answer and a stellar one. Questions are divided in three different levels, so whether you are a beginner or an advanced iOS

developer, this book will help you to land your dream iOS development
Job!
