Nota di contenuto	Contents; Preface and Acknowledgements; Introduction; PART ONE - MYSTIC REGIMES; PART TWO - IN THE PAHLAVI DYNASTY; PART THREE - IN THE ISLAMIC REPUBLIC; PART FOUR - AFTERTHOUGHTS; Appendices; Bibliography; Index/Glossary
Sommario/riassunto	Mystic Regimes is a social-scientific and Iranological study of two Iranian, Shi'ite Sufi orders in the twentieth century. It studies their comparative social development in relation to political regimes and explores the cultural repertoires that Sufis have used to cope with these. The introductory part examines the interpretation and the development, until the end of the Qajar era, of Iranian Sufism. The second part explores Sufism in the Pahlavi era. The third part deals with the Sufi orders in the Islamic Republic. The fourth part provides afterthoughts on the relations between Sufi cultural repertoires and civil society. Because of its unique archival and field material, Mystic

Regimes is especially important for scholars in Iranian and Sufi studies.
