Sommario/riassunto

Praise for On Top of the Cloud "21st-century CIOs have a dual responsibility: driving down costs and creating new business value. Managing this seeming dichotomy is the domain of top business executives everywhere, and CIOs everywhere are learning to step it up. The original research contained in Hunter's book serves as a practical road map for IT strategy in today's ultra-competitive markets."-Randy Spratt, EVP, CIO, and CTO, McKesson Corporation "This is a thoughtfully written book, and the timing is perfect. Hunter really understands the challenges confronting transformational
