Sommario/riassunto	The child's world often revolves around dreams and fantasy. Imaginary friends, places and play can seem entirely real, and yet in dismissing these as 'just your imagination', many adults cut a tie that can be the key to understanding a child. Unseen Worlds explores the fantastical nature of children's imaginings, and demonstrates the negative adult tendency to trivialize them. The book breaks new ground by giving voice to children of various ages to express how they encounter these different worlds, examining the dark and frightening concept of nightmares in addition to happy and playful daydre
