Sommario/riassunto	This landmark book, first published in 1979, met acclaim as a doubly important work of radical philosophy. Its subject, Jean-Paul Sartre, was among the twentieth century's most controversial and influential philosophers; its author, Istvan Meszaros, was himself establishing a reputation for profound contributions to the Marxian tradition, which would continue into the next century. The Work of Sartre was thus considered essential for its insights on Sartre and as a piece of Meszaros 's developing politico-philosophical project. In this completely updated and expanded volume, Meszaros exami
