Sommario/riassunto	Self-esteem is the building block of therapy and wellness and is crucial in overcoming depression and anxiety and in leading a fulfilling, functional life. Filled with hundreds of practical activities to help clients build their self-esteem as they become increasingly mindful and self-aware, this book contains a rich assortment of approaches from art therapy, dialectical behavioral and cognitive behavioral therapy. The innovative and established methods examined in the book are based on sound, evidence-based techniques, illustrated with real client experiences, to help therapists gain a greater
