Sommario/riassunto

This volume addresses many of the complex issues raised by North American integration through the lens of one of the largest and most global industries in the region: textiles and apparel. In part, this is a story of winners and losers in the globalization process, especially if one focuses on jobs lost and jobs gained in different countries and communities within North America, defined here as: Canada, the United States, Mexico, Central America, and the Caribbean. However, it would be a mistake to view the industry solely in these zero-sum terms. The North American apparel industry is an excel
