| Sommario/riassunto | Niklas Luhmann offers an accessible introduction to one of the most important sociologists of our time. It presents the key concepts within Luhmann's multifaceted theory of modern society, and compares them with the work of other key social theorists such as Jurgen Habermas, Michel Foucault, and Zygmunt Bauman. The book pays particular attention to introducing and discussing Luhmann's original sociological systems theory. It presents a thorough investigation into the different |

phases of his oeuvre, through which both the shifting emphases as well
as the continuities in his th
