Sommario/riassunto	The Linji lu, or Record of Linji, ranks among the most famous and influential texts of the Chan and Zen traditions. Ostensibly containing the teachings of the Tang dynasty figure Linji Yixuan, the text has generally been accepted at face value, as reliable records of the teachings of this historical figure. In this book, Albert Welter offers the first systematic study of the Linji lu in a western language. Welter places the Linji lu in its historical context, showing how the text was manipulated over time by the Linji faction. Rather than recording the teachings of the illustrious patriarch of
