Sommario/riassunto	Girls are now out-performing boys at GCSE level, giving rise to a debate in the media on boys' underachievement. However, often such work has been a 'knee-jerk' response, led by media, not based on solid research. Boys, Girls and Achievement - Addressing the Classroom Issues fills that gap and: *provides a critical overview of the current debate on achievement; *Focuses on interviews with young people and classroom observations to examine how boys and girls see themselves as learners; *analyses the strategies teachers can use to improve the

educational achievements of both bo
