## Sommario/riassunto

This volume is the second in a peer-reviewed series of Proceedings Volumes from the Calgary History of Medicine Days conferences, produced by Cambridge Scholars Publishing. The History of Medicine Days is a two day, national conference held annually at the University of Calgary, Canada, where undergraduate and early graduate students from across Canada, the US, the UK and Europe give paper and poster presentations on a wide variety of topics from the history of medicine and health care. The selected 2010 conference papers assembled in this volume particularly comprise the history of Applicatio
