Sommario/riassunto	This practical guide provides a complete picture of how non-physical and physical interventions can be used to manage behaviour and keep children with autism spectrum disorders or emotional, social and behavioural difficulties safe. With clear advice and strategies that can be easily implemented in practice, Steve Brown explores various options and interventions, and explains how professionals can manage the behaviour of children (aged 3-18) in the safest possible way, promoting assertiveness and confidence. He includes a range of de-escalation and behaviour management strategies, information o
