Sommario/riassunto

"This title was first published in 2000: Serving the State is an invaluable two-volume exploration of global trends in public administration education and training. Volume 2 of this important reference work explores traditions and contexts. Included for examination are the French and Islamic traditions, The Netherlands, Scandinavia, Latin America, Small Island States and former communist countries such as Poland and the Ukraine as well as other countries undergoing rapid economic change."--Provided by publisher.
