Sommario/riassunto	Culturally Affirming Literacy Practices for Urban Elementary Students provides practical insights guided by conceptual and contextual knowledge in understanding how to teach urban African American and Hispanic/Latino(a) students by discussing issues associated with critical pedagogies, literacy, and culturally appropriate instructional strategies

that have demonstrated success among African American and Hispanic/Latino(a) students. This text extends the conversation for culturally affirming pedagogy by showcasing successful models for teaching reading and writing to urban students through a di
