The Basic Liberties and Democratic Institutions

Sommario/riassunto

Wide ranging and up to date, this is the single most comprehensive treatment of the most influential political philosopher of the 20th century, John Rawls. An unprecedented survey that reflects the surge of Rawls scholarship since his death, and the lively debates that have emerged from his workFeatures an outstanding list of contributors, including senior as well as "next generation" Rawls scholarsProvides careful, textually informed exegesis and well-developed critical commentary across all areas of his work, including non-Rawlsian perspectivesInclu
