Nota di contenuto	pt. 1. General theory of fiscal policy -- pt. 2. Micro-economics of fiscal policy -- pt. 3. Macro-economics of fiscal policy.
Sommario/riassunto	The book explores whether fiscal policies can secure full employment without inflation, one of the key questions in economics after Keynes. Part 1, General Theory of Public Finance and Fiscal Policy, discusses Ends and Means in economic policy. The results of this ends-means analysis are applied to fiscal policy. Part 2, Microeconomics, deals with the impact of fiscal measures on the behaviour of the individual household, firm and other organization, concentrating on the effects on consumption and saving. Part 3, Macroeconomics, considers how the problem of keeping the price-level cons

Sommario/riassunto	A clothier and a deeply religious man, Joseph Ryder faithfully kept a diary from 1733 until his death, two and a half million words later, in 1768. Recently rediscovered and brilliantly interpreted by historian Matthew Kadane, Ryder's diary provides an illuminating, real-life perspective on the relationship between capitalism and Protestantism at a time when Britain was rapidly changing from a traditional to a modern society. It also provides fascinating insights on the early modern family, the birth of industrialization, the history of Puritanism, the origins of Unitarianism, melancholy, and the making of the British middle class.
