Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Shawl origins -- Connection -- Inclusion -- Reciprocity -- Kindling -- Compassion -- Solidarity -- Generativity -- Trust -- Empowerment.
Sommario/riassunto	Interviews with more than one hundred women reveal the theology behind prayer shawl making, a lay ministry that takes place in churches of nearly every denomination. These "handmade" conceptual frameworks provide a rich case study of ordinary theology in action, outlining women's religious creativity and reflection across the American Christian landscape.
