Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Introduction -- Reproduction of 1932 edition -- Title page -- Foreword -- Table of contents -- Text of Back yonder -- Appendix -- Explanatory notes -- Corrections.
Sommario/riassunto	From one-room schoolhouses to moonshiners, the details in Hogue's story capture the essence of a particular time and place, even as the characters reflect a universal quality that endears them to the modern reader. This reissue of Back Yonder, the first in the Chronicles of the Ozarks series, features an introduction by historian Brooks Blevins that explores the life of Charles Wayman Hogue, analyzes the people and events that inspired the book, and places the volume in the context of America's discovery of the Ozarks in the years between the World Wars.
