Sommario/riassunto

In the tumultuous first decade of the Cuban Revolution, Fidel Castro and other leaders saturated the media with altruistic images of themselves in a campaign to win the hearts of Cuba's six million citizens. In *Visions of Power in Cuba*, Lillian Guerra argues that these visual representations explained rapidly occurring events and encouraged radical change and mutual self-sacrifice. Mass rallies and labor mobilizations of unprecedented scale produced tangible evidence of what Fidel Castro called "unanimous support" for a revolution whose "moral power" defied U.S. control. Yet p
