Evans -- Sexuality / Jane Garner, Lorenzo Bacelle -- Bereavement /
Rosamund Oliver, Erdinch Suleiman.

Sommario/riassunto

How can we work effectively with older people? What contribution can
be made by the field of psychodynamics? It is now recognised that older
adults can benefit from psychodynamic therapy and that
psychodynamic concepts can help to illuminate the thorny issues of
aging and the complications of later life. Talking Over the Years begins
by examining how ideas of old age are represented by the key
psychodynamic theorists of the twentieth century including Freud, Jung,
Klein and Winnicott. Contributors go on to draw on their own
experiences in a range of settings to de
