Sommario/riassunto	In Erik Mueggler's powerful and imaginative ethnography, a rural minority community in the mountains of Southwest China struggles to find its place at the end of a century of violence and at the margins of a nation-state. Here, people describe the present age, beginning with the Great Leap Famine of 1958-1960 and continuing through the 1990's, as "the age of wild ghosts.
