Sommario/riassunto	Green Rape: Poetry for the Environment is an anthology of poems written in strong support of environmental literacy. Each poem is the poet's cry of protest against the rape of natural and built environments. The anthology examines a wide range of issues including the clash of global capitalism with environmental activism. It takes a close look at the major themes in international discourse on environmental degradation, climate change, renewable energy sources, global warming, Gene technology, biodiversity and more. The poet dispels a number of myths, notably the existence of an inexhaustible b
