Sommario/riassunto	In a single calendar year, the Republican House voted an astonishing 191 times to weaken, block ,or delay needed measures that defend our air, water, wildlife and lands. This enhanced e-book with nine videos tells the story of why it happened, how it put our nation at risk and where we need to go from here, for the sake of Americans everywhere, for the sake of our children's future. eBook is enhanced with video!
