Descrizione fisica	1 online resource (vii, 207 pages) : illustrations
Collana	IFLA publications ; ; volume 172
Classificazione	AN 49100
Disciplina	025.2/84
Soggetti	Libraries - Special collections - Electronic books Electronic books Libraries and electronic publishing
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Defining our terms -- The evolution of trade ebooks -- Legal considerations -- Library ebook principles -- Advocacy campaigns -- Regional summaries -- What comes next in publishing, distribution and libraries?
Sommario/riassunto	With the advent of downloadable retail eBooks marketed to individual consumers, for the first time in their history libraries encountered an otherwise commercially available text format they were prevented from adding to their collections. Trade eBooks in Libraries examines the legal frameworks which gave rise to this phenomenon and advocacy efforts undertaken in different jurisdictions to remove barriers to library access. The principal authors provide a general historical overview and an analysis of library/eBook principles developed by a variety of library associations and government reviews. In addition, experts from twelve countries present summaries of eBook developments in their respective countries and regions.
