Executive power, the Italian Parlamento and the 'war on terror'; 9 Reformasi and the Indonesian 'war on terror': State, military and legislative-executive relations in an emerging democracy; Index

Sommario/riassunto

The 9/11 attacks on New York and Washington prompted a "global war on terror" that led to a significant shift in the balance of executive-legislative power in the United States towards the executive at the expense of the Congress. In this volume, seasoned scholars examine the extent to which terrorist threats and counter-terrorism policies led uniformly to the growth of executive or Government power at the expense of legislatures and parliaments in other political systems, including those of Australia, Britain, Canada, Indonesia, Israel, Italy, and Russia. The contributors question
