Sommario/riassunto	This book explores the ethical dimension of peacebuilding. In the aftermath of the Cold War the hope for a more stable and just international order was rapidly dissolved by the internecine conflicts that plagued all continents. The Rwanda and Srebrenica genocides demonstrated the challenge of promoting peace in a world increasingly defined by intra-state conflict and sub-national groups confronting nation-states. Murithi interrogates the role that ethics plays in promoting and consolidating peacebuilding and presents a synthesis of moral philosophy and international relations and an analysis o
